D.O. No. P-10/125/2025-POLICY-DCMSME (4034139)

Dated: 05.09.2026

Dear Sir

I am writing to draw your urgent attention to a representation received from FIA Industrial Association regarding systemic administrative bottlenecks and procedural grievances faced by Micro, Small, and Medium Enterprises (MSMEs) operating under the jurisdiction of the Punjab Small Industries & Export Corporation Limited (PSIEC) and Punjab Udyog Bhawan.(Copy encl.)

2. It has been highlighted that local authorities are currently seeking physical, manual verifications from the General Manager, District Industries Centre (GM DIC) rather than utilizing the digitally generated Udyam Registration Certificates. This creates an additional compliance burden on established enterprises, including long-standing industries.

3. As the Association has raised concerns that directly hinders the Ease of Doing Business (EoDB) initiatives championed by both the Central and State Governments, I would be grateful if you could have this matter reviewed in the interest of MSMEs in the State.

With regards

Yours sincerely,

Encl.: as above.

(Dr. Rajneesh)
